In Massachusetts, the Business, Management, and Administration cluster will be the largest cluster overall, but Information Technology will be the fastest growing. Jobs in the Information Technology sector will increase by 23% by 2018.

Health Science will add the most jobs in Massachusetts through 2018, while Architecture and Construction and Manufacturing will lose jobs.

In 2018, 42% of all jobs in Massachusetts will be found in the Business, Management and Administration, Marketing, Sales and Services, and Hospitality and Tourism clusters.

The largest cluster—Business, Management, and Administration—will require substantial postsecondary education in 2018. It will grow by 7% for those with postsecondary education and 2% for those without.

Jobs for high school graduates and high school dropouts will grow more slowly than jobs for those with postsecondary education.

In Massachusetts by 2018, there will be about 333,000 jobs for those with certificates.
